Explanations and terms used in this form are intended as a guide only and do not purport to be a legal interpretation.

Note to carer

Important

You do not need to send a medical report at this stage for a person for whom a Domiciliary Care Allowance is being paid by the Health Service Executive.

The following medical forms are in two parts. **Have Part A completed by the person(s) being cared for.** If the person being cared for cannot complete this form, you should fill it in for them and have it signed by a witness.

You must then pass the entire medical form to the doctor of the person being cared for. **The doctor must complete Part B, questions 1 -7 inclusive.** As this is quite detailed, the doctor is unlikely to be able to complete the form immediately. You may both agree a suitable time for you to collect it. The doctor may decide to return the form to you in a sealed envelope, for reasons of medical confidentiality.

Please make sure you return the medical form along with your application.

Part A (to be completed by the person being cared for)**Authorisation**

I permit my doctor to provide you, the Department of Social and Family Affairs, with medical information that you may need for this application for Carer's Benefit.

I understand that I may need to attend a medical exam from time to time and that my entitlement to care under the Carer's Benefit scheme may be reviewed at any time.

Note

In signing the authorisation above, you allow your doctor to give us the medical information we need to decide if you qualify for care under the Carer's Benefit scheme.

One of our medical assessors will review the medical information and will treat it in strictest confidence. Although a confidential document, both medical and non-medical people will need to deal with this report.

Part B

Dear Doctor,

To enable us, on behalf of your patient, to accurately assess if they qualify for care under the Carer's Benefit scheme, please complete the medical report overleaf. The medical information provided will be reviewed by one of our medical assessors, who will treat it in strictest confidence. Although a confidential document, both medical and non-medical people will need to deal with this report.

You can get a special fee for fully completing and returning this report. To ensure payment, please enter your panel number in the box provided.

For reasons of medical confidentiality, you may wish the medical evidence for your patient to be passed to the Department's Chief Medical Adviser, without potential inspection by other people. If you have any questions on this matter, please contact the Department at the telephone number given below.

The format of this medical report has been agreed between the IMO and this Department. It is standard for all sickness schemes. However, Carer's Benefit differs from other schemes in that it is paid to the carer for providing full-time care and attention to the person with a disability.

If you feel that a bare outline of the disability does not adequately address the need for care, please feel free to add any additional observations on the caring situation at Question 6. You may also attach copies of any reports or other documents that you feel demonstrate the need for full-time care.

If you have any queries, please contact the **Carer's Benefit Section** directly at **(043) 45211, ext. 8786 or 8787**

Note:

The carer should already have filled Part 1 Question 1 and Parts 6 and 8 of the application form. The person(s) being cared for must have completed Part A of this medical report section.
